this book the english version of la traduction aujourd'hui hachette 1994 describes the interpretive theory of translation developed at the paris ecole sup[®]rieure d'interpr[®]tes et de traducteurs esit over the last 35 years the theory identifies the mental and cognitive processes involved in both oral and written translation understanding the text deverbalizing its language re-expressing sense for the purposes of translation languages are a means of transmitting sense they are not to be translated as such although translation involves the use of correspondences translators generally set up equivalence between text segments the synecdochic nature of both languages and texts a phenomenon discussed in the book explains why translation is possible across language differences the many practical problems faced by translators the difference between translation exercises used as a language teaching tool and professional translation translating into a foreign language and machine translation as compared to human translation are also discussed

this book sets out a new framework for a feminist history of translators drawing on the legacy of canadian scholar barbara godard and her work in establishing the canadian literary landscape as a means of exploring agency in feminist translation studies and its implications for cross disciplinary debates the volume is organised in three sections establishing feminist translator studies as its own approach examining these dynamics at work in a comprehensive portrait of barbara godard's scholarly and literary history and looking ahead to future directions in situating the discussion on godard and canadian literary history elena castellano calls attention to a geographic context in which translation and its practice has been at the heart of debates around national identity and intersected with the rise of feminism and feminist literary scholarship the book demonstrates how an in-depth exploration of the agency of an individual stakeholder whose activities spanned diverse communities and oft conflicting interests can engage in key questions at the intersection of nation making translation and feminism paving the way for future research and the further development of feminist translator studies as methodological framework this book will be of interest to scholars in translation studies feminist literature cultural history and canadian literature

this book provides a comprehensive introduction to audiovisual translation avt in india it examines the avt of tv advertisements analyses trends and practices of avt in india and studies the challenges faced by av translators including synchronising video with voice dialogue in advertisements and time and space text compression for subtitling the volume studies the interplay of language culture transfer and the role of the av translator in indian av advertisement translations and looks at how global advertising impacts local language and culture it emphasises the role of the translator and explores how the translator devises strategies by considering various elements in an av medium to achieve equivalence through the translation process drawing on case studies this work will be indispensable to students and researchers of translation studies media studies language and linguistics advertising film studies communication studies and south asian studies

quality in translation is a compilation of papers from the proceedings of the third congress of the international federation of translators this collection discusses the quality methods and criteria of translation the training of translators practical measures in translating and terminologies this text describes what a good translation should be this book analyzes the problems encountered when translating from one language to another language thought patterns occurrence of transformations during translations and the range of interpretability another concern this book addresses is the dilemma of quality versus quantity especially in scientific materials when more studies need to be translated for wider exposure to the scientific community the training of translators covers how russian students are selected the training methods and emphasis on peculiarities of the english and russian languages practical matters include choosing the right translator for the right job or subject as well as some advice for clients seeking translators for embassy work the terminological aspects in translating include the translator s confidence with his choice of words and how he uses a scientist s new coined words instead of his employing similar terminologies used by the scientist s colleagues this book also cites the accomplishments of the international committee for the co ordination of terminological activities translators and students studying foreign languages overseas workers consulate staff linguists and administrators of international companies will find this book relevant

this work offers for the first time a complete list of all books published wholly or partially in the french language before 1601 based on twelve years of investigations in libraries

in france the united kingdom the united states germany the netherlands and elsewhere it provides an analytical short title catalogue of over 52 000 bibliographically distinct items with reference to surviving copies in over 1 600 libraries worldwide many of the items described are editions and even complete texts fully unknown and re discovered by the project french vernacular books is an invaluable research tool for all students and scholars interested in the history culture and literature of france as well as historians of the early modern book world for vols iii iv please go to french books iii iv

this book presents a vivid overview of linguistic literary and educational issues in a multicultural context from various perspectives these range from large scale surveys to specific analyses on aspects of language literature and education contributions are very original and based on a common denominator multiculturalism despite the numerical dominance of contributions from cameroon one of the most multilingual countries in the world this book brings together views from specialists in the different domains from several parts of the world africa europe and the united states of america these contributions exhibit not theoretical issues that underpin current academic debates in linguistic and literary research but also empirical and interesting data that can further be exploited to other ends critical views on literature and postcolonialism the fears of language death with the advent of globalisation and the spread of english language the educational significance or influence of the internet the wealth of cameroon african literature and the education of the cameroonian african child and theoretical issues in language and literary education are themes handled here in an accessible manner to readers without previous knowledge of language science literature and education
