wang chen a ninth century military commander was sickened by the carnage that had plagued the glorious t ang dynasty for decades all within the seas were poisoned he wrote and pain and disaster was rife throughout the land wang chen wondered how can we end conflicts before they begin how can we explain and understand the dynamics of conflict for the answer he turned to a remarkable source the tao te ching here is wang chen s own rendering of and commentary on the ancient text

insightfully expanded and amplified by translator ralph d sawyer a leading scholar of chinese military history although the tao long influenced chinese military doctrine wang chen s interpretations produced the first reading of it as a martial text a tao of war like sun tzu s art of war certainly the most famous study of strategy ever written the tao provides lessons for the struggles of contemporary life in the way that the ancient art of war provides inspiration and advice on how to succeed in competitive situations of all kinds even in today s world wang chen s the tao of war uncovers action plans for managing conflict and promoting peace a book to put on the shelf next to art of war wang chen s the tao of war is a reference of equally compelling and practical advice

this book explores suicide prevention perspectives from around the world considering both professionals points of view as well as first person accounts from suicidal individuals scholars around the globe have puzzled over what makes a person suicidal and what is in the minds of those individuals who die by suicide most often the focus is not on the motives for suicide nor on the phenomenology of this act but on what is found from small cohorts of suicidal individuals this book offers a tentative synthesis of a complex phenomenon and sheds some light on models of suicide that are less frequently encountered in the literature written by international experts it makes a valuable contribution to the field of suicidology that appeals to a wide readership from mental health professionals to researchers in suicidology and students

biblical stories are powerful stories and are easy to tell in a world that is often hostile to the good news telling stories is an ideal way to communicate the gospel warmly and winningly how can we like jesus use the power of stories to get gospel truths across in a memorable and life changing way learning to share the gospel with the winning and persuasive power of stories martin goldsmith discovered early in his career as a missionary that stories were the most effective way of sharing the gospel especially in places where evangelism was illegal but since then he s discovered that they are also often the best way of sharing it with our neighbours in the west who are suspicious of religious truth and hate being preached at full of colourful stories from a lifetime of sharing the gospel this book shows us how to do the same the author demonstrates how the bible teaches its theology through story and how other faiths are shaped by their storytelling giving us a deeper understanding of how we can reach others and teach real and significant truths in an enthralling way if we want to win hearers for the gospel in

today's world it is vital to become compelling and persuasive tellers of the gospel story once again discover the power of storytelling in sharing the gospel learn how biblical narratives can effectively communicate profound truths in a relatable manner

derived from ruth williams more than 40 year immersion in spiritual practice as well as her clinical experience as a jungian analyst this thought provoking volume explores the nature of spiritual paths and trajectories in practical ways incorporating personal anecdote and ground breaking academic research and providing a window into how jungian practitioners work with soul and spirit williams explores the nature of being a human using the yiddish idea of a person being a mensch which means being a decent human being having humanity and living ethically with integrity the idea of grace is the thread that runs through the book the mystery that binds things together and makes life meaningful purposeful potentially joyful and spiritually fulfilling williams sees grace as being that which underpins and lies behind synchronicity and divinatory practices and as a force by which we can learn to be guided rooted in clinical work exploring spirituality from a post jungian perspective is fascinating reading for jungian analysts therapists and academics as well as for general readers interested in a spiritual journey both personally and for clinical purposes
